

APPRENTICESHIP PROGRAM

Registered by the Department of Education
Division of Career and Adult Education

GET READY Your Journey Begins Here

The Piper Aircraft Apprenticeship Program, presented in partnership with Indian River State College, is designed to build careers for skilled employees and future leaders from the ground up. The Aircraft Structure, Surfaces, Rigging, and Systems Assembler Apprenticeship Program is a 2-Year, State of Florida Department of Education approved program. Apprentices will become aviation and manufacturing skilled employees, develop leadership skills in the workplace, and be perfectly poised to eventually take on supervisory and management roles at Piper.

BENEFITS OF THE APPRENTICESHIP PROGRAM INCLUDE:

- Full time paid position with Piper
- Advanced On the Job (OJT) training
- Free college classes for Apprentice Program
- Florida State approved certificate in Aircraft Structure, Surfaces, Rigging, and Systems Assembler (upon completion)
- A great career with Piper!

REQUIREMENTS FOR THIS POSITION:

- Pass all Piper hiring requirements
- Must be 18 or older by 8/1/2021
- Must have high school diploma or GED
- Must be eligible to work in the US
- Must be a resident of Indian River, Brevard, or St. Lucie Counties
- Must meet enrollment requirements for Indian River State College
- Must meet all apprenticeship program requirements and pass all classes and course work

Apprentices will get hands on experience building airplanes, but also learn about the management and organizational aspects of Piper Aircraft. They will take relevant courses at Indian River State College, which will count towards an Associate Degree.

AREAS OF STUDY:

- Aircraft assembly
- Blue print reading
- Proper use of assembly tools
- Trimming and fitting
- Aircraft materials overview
- Sealer application
- Math and measuring
- Safety wire
- Torque / hardware installation and composites
- OSHA Safety
- Metal bonding
- Electrical systems and avionics
- Fuel systems installation and testing
- Landing gear systems and rigging
- Control surface installation and rigging

WHAT YOU GET:

- Great benefits program (401K, vacation, holiday pay, medical, dental, and life insurance)
- A certificate from the State of Florida in "Aircraft Structure, Surfaces, Rigging, and Systems Assembler"
- Work with a team of professionals building world – class General Aviation aircraft
- A great career with Piper!
